

Jumpstart your sales with flexible financing

We have developed several unique and creative lease/financing programs for companies with at least 2 years time in business!!!

Here are some of our most popular programs:

- 6 x \$99 Program:** The first 6 payments at a \$99, then fixed payments for the remaining months in the lease.
- \$20 Security Deposit Program:** Only amount required down!
- 60/90 Day Deferral:** First payment (or "contact payments" of a nominal amount they choose for those with challenged credit or new businesses, i.e. \$100.)
- Step-Up Rate:** Payments gradually increase in amount for as long as the customer needs.
- Seasonal Payments:** Lower payments in the 3-5 month slow periods each Year.
- Used Equipment:** Most leasing companies do not have a source that will fund used equipment, we do.....

***All of these programs require at least 2 years time in business and are O.A.C.**
